Course in Electrical Engineering.

READ—

Correspondence ending with letter No. 9653, dated 9th March 1925, from the Registrar, Mysore University, submitting proposals for starting an Electrical Engineering Course in the Engineering College, Bangalore.

ORDER NO. E. 500-503—EDN. 93-24-15, DATED 6TH AUGUST 1925.

The Registrar, Mysore University sent up a proposition passed at the meeting of the Senate held on 29th November 1924 that courses in Electrical Engineering be provided in the Engineering College, and applied for sanction of the necessary funds for the purpose. As full details of the financial commitments involved were not given he was requested to furnish detailed estimates of expenditure under the heads of equipment and staff. He has stated in reply that the University Council have, after consideration of the estimates furnished by the Principal of the College of Engineering, provided in the draft budget estimates of the University for 1925-26, a sum of Rs. 24,400 for the purpose as under:—

			Rs.
1.	Equipment	...	15,000
2.	Staff.—		
	One Professor on Rs. 400	...	4,900
	One Assistant Professor on Rs. 300	...	3,600
	Working charges for Laboratory	...	1,000

2. Government are pleased to direct that a course in Electrical Engineering be started in the College of Engineering, Bangalore, with effect from the current academic year. The scale of staff and expenditure proposed by the University Council for the purpose is also sanctioned. The cost will be met from provision made in the University budget on this account.

B. RAMASWAMAIYA,
Offg. Chief Secretary to Government.
